But—????

Everybody likes to wear good clothes; every man, every woman, every child. They like to feel that the garments they have on were made for them; it's a satisfaction that's worth paying for, but—

Some tailors charge too much for it; perhaps they need the money; we don't know. But—why not

PAY LESS AND DRESS BETTER

After you have selected the pattern for a suit of clothes, all you can get in it at any price is style and fit. You may say that in addition the garments should be well made; but that's only a repetition. If they fit and have style about them, they are well made, you may depend upon that; and if they are well made, they fit and have style; the terms are inseparable.

We are in the tailoring business. We show a carefully selected line of some five hundred choice patterns in Fall and Winter Woolens. These are from

GONE TO HIS REWARD.

A. E. Howell, One of Socorro's Most Honored Citizens, Loses His Life by a Trivial Accident.

Mr. Howell is dead. Such was the announcement that Sunday morning caused sincere and deep sorrow throughout the city. Every voice was hushed and every countenance was sad, for Mr. Howell was respected and esteemed to an extraordinary degree.

The cause of Mr. Howell's death was remarkable. On Monday morning, February 16, he scratched the base of his right thumb on a metallic ornament of a stove. The wound scarcely broke the skin and he thought nothing of it. At night the whole hand and arm became very painful. Blood poisoning developed. Mr. Howell's condition grew steadily worse in spite of all that medical skill could do for him and on Sunday morning at about half past five his spirit took its flight.

The funeral was arranged for Tuesday afternoon but owing to the delayed arrival of Mr. Howell's brother, M. D. Howell of Dardanelle, Arkansas, it was deferred until Wednesday. Socorro has not had so largely attended a funeral for years. The funeral and burial services were those of the Masonic fraternity, of which deceased was an honored member. There were religious services also at the residence, conducted by Rev. Chas. F. Taylor, who delivered an earnest and impressive tribute to the life and character of the dead. The service at the grave was impressively conducted by Past Master H. M. Dougherty.

Alfred English Howell was born at Dardanelle, Ark., April 5, 1850. In 1874 he was united in marriage to Miss Phoebe Bennett of Louisville, Ark. The family came to Socorro in 1888. During the fifteen years of his residence in the city Mr. Howell was engaged in the drug business. He was elected Mayor of the city in 1898 and was at one time president of the city's board of education. His administration of the affairs of both offices was eminently creditable.

Mr. Howell was a man of excellent character. His family ties were strong and he did his outward duties fearlessly. He was frank, honest, and sincere. He was highly respected and esteemed by all while living and is grievously mourned by all when dead. Death can boast no victory over such a man. Blessed be his memory.

Card of Thanks.

All members of Mr. Howell's family wish to give public expression of their heartfelt gratitude to the neighbors and friends whose unflinching kindness so cheered them in the hour of their deep affliction.

MRS. MORRIS LOEWENSTEIN DEAD.

Death Ends the Prolonged Suffering of An Estimable Lady.

Mrs. Morris Loewenstein, the wife of one of Socorro's respected and prominent business men, died at the family residence on California street Thursday morning shortly after five o'clock. Mrs. Loewenstein had been a patient sufferer from bad health for several years and her sudden passing away was not unexpected by relatives and friends. Wednesday the patient suffered a stroke of almost total paralysis which resulted fatally the next morning.

Mrs. Loewenstein was a sister Jos. Price of this City. Her maiden name was Charlotte Price. She was born in Coerlin, province of Pomerania, Prussia, in 1854, came to America in 1893, was married in Albany, N. Y., in 1878 to the husband who now mourns her loss, and came to Socorro in 1884. During the 19 years of her residence in this city Mrs. Loewenstein was highly respected and esteemed by a large circle of friends and acquaintances.

A large number of sorrowing citizens, including the local lodge of Knights of Pythias, assembled at the residence Thursday afternoon to pay respect to the memory of Mrs. Loewenstein and escort the remains to the station to be shipped to Albuquerque for interment in the family burial place.

Resolution of Respect and Condolence.

At a special convocation of Socorro Lodge No. 9, A. F. & A. M., Wednesday a committee was appointed to draft appropriate resolution on the death of Brother Alfred English Howell. Following are the

RESOLUTIONS:

Whereas, In the death of Brother Alfred English Howell we recognize a most grievous loss to our order, to his family, and to the community, therefore be it

Resolved, That we hereby give public expression to our profound respect and admiration for his excellent qualities as a Mason, as a husband, as a father, and as a citizen; also of extending to his family our sincere, deep, and affectionate sympathy in their bereavement; and be it further

Resolved, That these resolutions be spread upon the minutes of the lodge, that a copy thereof be sent to Brother Howell's family, and that they be published in the Socorro Chieftain.
